

Dunkerque's Wallace Fountain Needs Restoration

13 rue Albert 1er
Dunkerque 59140
FRANCE

The Wallace fountain at Dunkerque is in desperate need of restoration. Erosion is eating away the caryatids as documented in the photos captured on July 2, 2023.

If anyone has additional information about the history or origin of this fountain, please share it by contacting us at admin@wallacefountains.org.
