

Charenton-le-Pont has a Prominent Wallace Fountain

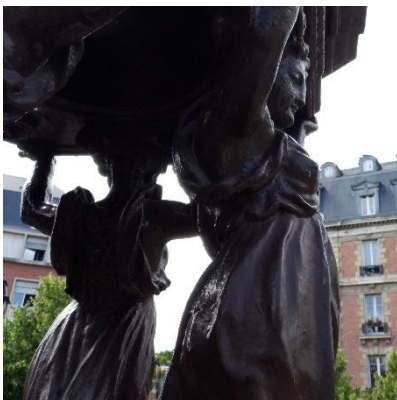

**Place Henri IV
Charenton-le-Pont 94220

In 2015, Place Henri IV underwent significant renovation. The city added many trees and plantings and repainted the urban furniture the same color brown as their famous Wallace fountain, which stands prominently in the middle of the square.

Research by a local historian indicates the fountain was installed sometime between 1979 and 1991.
